- C) The allusion couldn't be understood even by those in question.
- D) No one, except for those in question, was able to understand that there was an allusion.
- E) The allusion was questioned only by those who could understand it.

4. The older my father gets, the more forgetful he becomes.

- A) My father is unlikely to forget anything even though he is getting older.
- B) Because he is getting old, my father will soon start forgetting things.
- C) My father, who has always been absent-minded, is very old now.
- D) My father had a good memory before he got old.
- E) As my father gets older, he is getting more and more absent-minded.

5. To our surprise, almost the same questions as the ones before were asked in the geography exam.

- A) They asked nearly the same questions on both geography tests so as to surprise us.
- B) What surprised us about the geography test was that all the questions were almost the same as the previous ones.
- C) Surprisingly, the questions on the geography test were much more similar to those they had asked before.
- D) We were surprised to see that the questions in the geography exam were nearly identical to the previous ones.
- E) They almost asked the same questions on the geography test as those in the previous one, which would have surprised us.

6. It was more than a little strange to hear Julia and Brian were getting married so soon.

- A) What Julia found so strange was that Brian wanted to marry her so soon.
- B) It was not that odd that Brian wanted to marry Julia as soon as possible.
- C) I would never have expected to hear about the wedding plans of Julia and Brian so soon.
- D) I was pretty surprised to hear that Julia and Brian were getting married so soon.
- E) So soon did Brian and Julia get married that I found it too strange.

7. The more famous the artist is, the more expensive his painting is.

- A) The very pricey painting has been painted by a very well-known artist.
- B) Well-known artists only paint paintings for wealthy customers.
- C) The price of a painting is tied to how well its artist is known.
- D) Only one very valuable painting has been painted by this well-known artist.
- E) Once an artist has become well-known, he can charge as much as he likes for his paintings.

8. We need someone more qualified than the ones who applied for this position.

- A) The person we need for this position should be more qualified than the ones that applied.
- B) There are several applications for this position, but none of them is as qualified as this one.
- C) We need to have more than one qualified person for this position for which there have been several applications.
- D) The ones who applied for this position are far less qualified than the one we previously had in this position.
- E) The people applying for the position are all qualified, but we need one even more qualified.

9. Contrary to our expectations, it turned out to be a very enjoyable party.

- A) We did not realize at first that the party would be as enjoyable as one could ever expect.
- B) Although we did not want to attend it at first, we enjoyed it towards the end of it.
- C) The party, which at first seemed to be rather dull, later became more and more enjoyable.
- D) Though we would never expect it to be, the party was the most enjoyable one we had ever been to.
- E) The party proved to be very enjoyable, but we had expected it not to be.

10. The wind at the moment is as strong as it's going to get today.

- A) The strongest wind there is going to be today is now about to come.
- B) The wind won't get any stronger today than it is right now.
- C) The wind still has the same strength that it has had for the whole day.
- D) The wind has never been as strong as it is today.
- E) Now, the wind is very strong, and it will get stronger during the rest of the day.

11. Having lived through a similar period in her life, she quite understands his situation.

- A) He had experienced a period like the one she is having, so he knows how she must be feeling.
- B) Since she once experienced a period like his, she totally understands him.
- C) As he had suffered a similar period before, she knows how he feels in such situations.
- D) Because there is hardly any difference from what he and she lived through, they understand each other well.
- E) The fact that she was having the same difficulties as him enabled her to understand him well enough.

12. Since the beginning of the recession in the US, the number of meals bought at fast food restaurants has fallen.

- A) Not as many meals were bought at fast food restaurants in the US before the recession as are bought now.
- B) After the recession in the US began, people barely stopped buying meals at fast food restaurants.
- C) Hardly anybody buys meals at fast food restaurants in the US every time there is recession in the country.
- D) Fewer meals are bought at fast food restaurants in the US than bought before the recession there started.
- E) The recession in the US has negatively affected the number of meals bought in fast food restaurants more than anything else.
